

# Day I Die

## Elias

Every Breath I Take Till The Day I Die Ima Hold You Down  
Ima Be Your Guy  
Ima Be Your One Till The Day Im Done, Till The Day I Die Every Breath I Take Till The Day I  
Die Ima Hold You Down  
Ima Be Your Guy  
Ima Be Your One Till The Day Im Done, Till The Day I Die Me And You, You And Me How  
We Feel I Think Was Meant To Be  
You Took Off With Your Man You Dont Understand How Much You  
Mean To Me  
Every Day Every Night Till I Die I Want You Next To Me  
Understand Ill Be Your Man Till The End So Dont Say No To Me  
But You Left And Im All Alone Just Wish You'd Call My Phone  
I Call But No Ones Home Why Does This Happen To Me  
Im Sad And No One Cares I Reach And No Ones There  
This shit Just Seems Unfair Nothing Good Happens To Me  
Every Breath I Take Till The Day I Die Ima Hold You Down  
Ima Be Your Guy  
Ima Be Your One Till The Day Im Done Till The Day I Die Every Breath I Take Till The Day I  
Die Ima Hold You Down  
Ima Be Your Guy  
Ima Be Your One Till The Day Im Done Till The Day I Die I Was Scared I Ran Away Far  
Away Coz I Didnt Know What To Say  
Now I See Your Love Was Real And How We Feel It Takes My  
Breath Away  
Just Say You Hold Me Down (I Hold You Down)  
Dont Let Our Fire Burn Down (You Know I Wont)  
Just Say You'll Be My Man (Ill Be Your Man)  
Love Me As Long As You Can (You Know I Will)  
You'll Never Be Alone If You Need Me Call My Phone  
For You Im Always Home Ill Always Be There For You  
Iv Searched But Now Iv Found Theres No Love Like Yours Around  
These Words Have Made Me See That Your The Only One For Me  
Every Breath I Take Till The Day I Die Ima Hold You Down  
Ima Be Your Guy  
Ima Be Your One Till The Day Im Done Till The Day I Die Every Breath I Take Till The Day I  
Die Ima Hold You Down  
Ima Be Your Guy  
Ima Be Your One Till The Day Im Till The Day I Die Just Say You Hold Me Down (I Hold  
You Down)  
Dont Let Our Fire Burn Down (You Know I Wont)  
Just Say You You'll Be My Man (Ill Be Your Man)  
Love Me As Long As You Can (You Know I Will) Every Breath I Take Till The Day I Die Ima

Hold You Down  
Ima Be Your Guy  
Ima Be Your One Till The Day Im Done Till The Day I Die Every Breath I Take Till The Day I  
Die Ima Hold You Down  
Ima Be Your Guy  
Ima Be Your One Till The Day Im Done Till The Day I Die
