

D.O.A.

Sleigh Bells

like the breath on your lips
how come nobody knows
how the chorus should go
how the chorus should go
how come nobody knows do you know how it feels
when the rain hits the roof
like the roof of your life
it's not bad anymore cut the room right in two?
cut the rest into lies
but theres blood on the door
and you're failing to smile
but you're right on time
like the breath on your lips
how come nobody knows
how the chorus should go
remember who you are like the breath on your lips
how come nobody knows
how the chorus should go
how the chorus should go
how come nobody knows do you know how it feels
when the rain hits the roof
like the roof of your life
it's not bad anymore cut the room right in two?
cut the rest into lies
but theres blood on the door
and you're failing to smile
but you're right on time
like the breath on your lips
how come nobody knows
how the chorus should go
remember who you are
