

Color Bars

[Elliott Smith](#)

I see color bars
When I come
Sgt. Rock broke the key off in the lock
To where I come from Sir, no sir, we have no power in the air
The battle's on the ground
Laying low again
High on the sound Bruno S. is a
Man to me
You're just some dude with a stilted attitude
That you learned from TV You'll undo, but I'll be connecting everything
The traffic in my town
Riding high again
High on the sound
Everyone wants me to ride into the sun
But I ain't gonna go down
Laying low again
High on the sound
