

# Velvet Green

## Jethro Tull

Walking on Velvet Green  
Scotch pine growing  
Isn't it rare to be taking the air?  
Singing  
Walking on Velvet Green Walking on Velvet Green  
Distant cows lowing  
Never a care  
With your legs in the air  
Loving  
Walking on Velvet Green  
Won't you have my company  
Yes, take it in your hands  
Go down on Velvet Green with a country man  
Who's a young girl's fancy and an old maid's dream  
Tell your mother that you walked all night on Velvet Green One dusky half-hour's ride up to the  
north  
There lies your reputation and all that you're worth  
Where the scent of wild roses turns the milk to cream  
Tell your mother that you walked all night on Velvet Green And the long grass blows in the  
evening cool  
And August's rare delights may be April's fool  
But think not of that my love  
I'm tight against the seam  
And I'm growing up to meet you down on Velvet Green Now let me tell you that it's love and  
not just lust  
And if we live the lie let's lie in trust  
On golden daffodils to catch the silver stream  
That washes out the wild oat seed on Velvet Green  
We'll dream as lovers under the stars  
But civilization's raging afar  
And the ragged dawn breaks on your battle scars  
As you walk home cold and alone upon Velvet Green (Repeat first two verses)
