

Flower In the Rain

Jaci Velasquez

You are the One
There's no one else
Who lifts me up
And gives me water from the well
But there's a hole
That seems to drain it all away
And once again I'm left in fear and doubt
When all my strength is crying out So here I am again
Willing to be opened up and broken
Like a flower in the rain
Tell me what have I to do
To die and then be raised
To reach beyond the pain
Like a flower in the rain
The evil wind it blows a storm
To rock my world
Just when I think I'm safe and warm
I'm led astray far too easily
It's always hard for me to say I'm wrong
Until I know I can't go on So here I am again
Willing to be opened up and broken
Like a flower in the rain
Tell me what have I to do
To die and then be raised
To reach beyond the pain
Like a flower in the rain Lord, You have searched me and know
When I sleep and when I rise
You're familiar with all my ways
Even the darkness will shine like the day
When You look into my heart.
So here I am again
Willing to be opened up and broken
Like a flower in the rain
Tell me what have I to do
To die and then be raised
To reach beyond the pain
Like a flower in the rain
