Flower In the Rain

Jaci Velasquez

You are the One
There's no one else
Who lifts me up
And gives me water from the well
But there's a hole

That seems to drain it all away
And once again I'm left in fear and doubt
When all my strength is crying outSo here I am again

Willing to be opened up and broken Like a flower in the rain

Tell me what have I to do

To die and then be raised

To reach beyond the pain

Like a flower in the rain

The evil wind it blows a storm

To rock my world

Just when I think I'm safe and warm

I'm led astray far too easily

It's always hard for me to say I'm wrong

Until I know I can't go onSo here I am again

Willing to be opened up and broken

Like a flower in the rain

Tell me what have I to do

To die and then be raised

To reach beyond the pain

Like a flower in the rainLord, You have searched me and know

When I sleep and when I rise

You're familiar with all my ways

Even the darkness will shine like the day

When You look into my heart.

So here I am again

Willing to be opened up and broken

Like a flower in the rain

Tell me what have I to do

To die and then be raised

To reach beyond the pain

Like a flower in the rain
