

# Run My Mouth

Ella Mai

Ooh, tell me what I could do  
This ain't what it's supposed to be  
I don't wanna drop it now  
But you ain't up on to me  
And tell me what I could to say  
To make it feel right with you  
'Cause you got a lot of love  
And I got some things to do  
And I'm, I'm just too [?] in love  
Never though it could feel like this  
All I need is a late night call  
Got me running right back, back, back, back  
I don't wanna get over you  
I just wanna offer it now  
All day (all day)  
All night (and all night)  
You got some nerve playin' with fire  
You don't (you don't), realise (no) That I'm on my way for your satisfaction (faction)-faction  
Could even have this  
Call me an addict but I need your satisfaction-faction  
You got that kinda somethin', fuck it's gonna make me run my mouth  
Oh-oh-oh-oh, ooh, run my mouth  
Oh-hoo, run my mouth I tried to let you go  
I came because I'm too caught up, yeah  
It's because you keep calling me  
All up all over me  
I get stuck inside these walls that you build (ohh, yeah)  
All day (all day)  
All night (and all night)  
You got some nerve playin' with fire  
You don't (you don't), realise (no) That I'm on my way for your satisfaction (faction)-faction  
Could even have this  
Call me an addict but I need your satisfaction-faction  
You got that kinda somethin', fuck it's gonna make me run my mouth  
Oh-oh-oh-oh, ooh, run my mouth  
Oh-hoo, run my mouth  
You got that kinda somethin', fuck it's gonna make me run my mouth
