

Please Come Home for Christmas

[Aaron Neville](#)

Bells will be ringing the glad, glad news
Oh what a Christmas to have the blues
My baby's gone, I have no friends
To wish me greetings once again
Choirs will be singing Silent Night
Christmas carols, by candle light
Please come home for Christmas
Please come home for Christmas
If not for Christmas, by New Years night
Friends and relations, send salutations
Sure as the stars shine above
But this is Christmas
Yeah, it's Christmas my dear
It's the time of year to be with, with the one you love
So won't you tell me
You'll never more roam
Christmas and New Year Will find you home
There'll be no more sorrow
No grief and pain
And I'll be happy, happy, once again
Interlude
Ooo, there'll be no more sorrow
No grief and pain
And I'll be happy, Christmas, once again
