Kickstarts

Example

You want me to come over I got an excuse
Might be holding your hand, but I'm holding it loose
Go to talk then we choke its like our necks in a noose
Avoid the obvious we should be facing the truthStart to think it could be fizzling out
Kinda shocked because I never really had any doubts
Look into your eyes imagine life with out yaAnd the love kick starts again
Starts againAnd the Love kick starts again

Starts again

It's the same old you the same old me
You get bored and I get cold feet
Get high get wandering eyes
Forget I've never ever had it so sweet

I realize what I got when I'm out of town

Cause deep down you're my girl in a golden crown

My princess and I don't wanna let you down

No, I don't wanna let you down, down, down, downYou want me to come over I got an excuse Might be holding your hand but I'm holding it loose

Go to talk then we choke it's like our necks in a noose

Avoid the obvious we should be facing the truthStart to think it could be fizzling out

Kinda shocked because I never really had any doubts

Look into your eyes imagine life with out yaKick starts again

Start to think it could be fizzling out

Kinda shocked because I never really had any doubts

Look into your eyes imagine life with out ya

Imagine life with out ya

Imagine life with out ya

Imagine life with out yaAnd the love kick starts again

Starts againAnd the love kick starts again

Starts againKick kick startsIt's the same old you the same old me

You get bored and I get cold feet

Get high get wandering eyes

Forget I've never ever had it so sweet

I realize what I got when I'm out of town

Cause deep down you're my girl in a golden crown
