

# Beautiful Day

## Mellowdrone

Today is gonna be a beautiful day  
No more waiting for the usual thing  
Don't dare waste your time, boy  
Don't dare waste your time  
No more waiting for the usual thing What can I do to make this plan go through?  
Approach it then in a different way  
Someday I'll get it right, I swear I'll get it right  
Today is gonna be a beautiful day Today is gonna be a beautiful day  
[Incomprehensible] be proud  
Take care and don't upset the crowd Today is gonna be a beautiful day  
Don't waste your time, boy  
Someday I'll get it right  
Take care and don't upset the crowd  
'Cause today is gonna be a beautiful day
