

My Beloved

Crowder

My Beloved bring me awake
Take me up to your resurrection place
My Beloved bring me awake
'cause I want to feel Your Light on my Face
Oh, there's a sun coming up
In my soul, Lord, in my soul
There's a sun coming up
In my soul, Lord, in my soul
My Beloved bring me awake
Take me up to your resurrection place
My Beloved bring me awake
'cause I want to feel Your Light on my Face
Oh, there's a sun coming up
In my soul, Lord, in my soul
There's a sun coming up
In my soul, Lord, in my soul
I see the light, I see the light
I see the light, I see the light
Oh thank you God I see the light
Hey! Hey!
Oh
Hey! Hey!
Oh
Hey! Hey!
Oh
Hey! Hey!
My Beloved take me away
Over Jordan up out of this place
My Beloved, for you I wait
With you here till forever face to face
Oh, there's a sun coming up
In my soul, Lord, in my soul
There's a sun coming up
In my soul, Lord, in my soul
I see the light, I see the light
I see the light, I see the light
Oh thank you God I see the light
Oh, no more sorrow, no more pain
No more darkness weighing down on me
No longer blind now I can see
Forever light, forever free
Forever light, forever light
Forever light, forever light
I see the light, I see the light
I see the light, I see the light
Oh thank you God I see the light
I see the light, I see the light
Oh thank you God I see the light
