

# Hold My Girl

George Ezra

I've been waiting for you  
To come around and tell me the truth  
About everything that you're going through  
My girl you've got nothing to lose Cold night and the Sunday mornings  
On your way and out of the grey I've got time  
I've got love  
Got confidence, you'll rise above  
Give me a minute to hold my girl  
Give me a minute to hold my girl Crowded town, silent bed  
Pick a place to rest your head  
Give me a minute to hold my girl  
Give me a minute to hold my girl  
I've been dreaming 'bout us  
Working hard and saving it up  
We'll go and see the man on the moon  
My girl we've got nothing to lose Cold night and the Sunday mornings  
On your way and out of the grey I've got time  
I've got love  
Got confidence, you'll rise above  
Give me a minute to hold my girl  
Give me a minute to hold my girl Crowded town, silent bed  
Pick a place to rest your head  
Give me a minute to hold my girl  
Give me a minute to hold my girl My girl, my girl  
It takes one hard second to turn it around  
It takes one hard second to turn it around  
I've got time  
I've got love  
Got confidence, you'll rise above  
Give me a minute to hold my girl  
Give me a minute to hold my girl Crowded town, silent bed  
Pick a place to rest your head  
Give me a minute to hold my girl  
Give me a minute to hold my girl I've got time  
I've got love  
Got confidence, to rise above  
Give me a minute to hold my girl  
Give me a minute to hold my girl Crowded town, silent bed  
Pick a place to rest your head  
Give me a minute to hold my girl  
Give me a minute to hold my girl
