

Wave On Wave

Pat Green

Mile on Mile no direction
We're all playing the same game
We're all looking for redemption
Just afraid to say the name
So caught up now in pretending
What we're seeking is the truth
I'm just look for a happy ending
All I'm looking for is you It came upon me wave on wave
You're the reason I'm still here, yeah
Am I the one you were sent to save
It came upon me wave on wave
I wandered out into the water
I thought that I might drown
I don't know what I was after
Just know that I was going down
That's when she found me
I'm not afraid anymore
It came upon me wave on wave
You're the reason I'm still here, yeah
Am I the one you were sent to save
It came upon me wave on wave Wave on Wave
Wave on Wave It came upon me wave on wave
You're the reason I'm still here, yeah
Am I the one you were sent to save
It came upon me wave on wave
The clouds broke and the angels cried
You ain't gotta walk alone
That's why he put me in your way
You came upon wave on wave You came upon me wave on wave
You're the reason I'm still here, yeah
Am I the one you were sent to save
It came upon me wave on wave You came upon me wave on wave
You're the reason I'm still here, yeah
Am I the one you were sent to save
It came upon me wave on wave
