

# Superpower

## X Ambassadors

I been reaching from the ground up  
To the highest heights  
I been cooking up a shit storm  
And I feel alright Got my head in the clouds  
And my feet up off of the ground  
I feel like death is chasing me down But today I'm, I'm gonna superpower, superpower  
But today I'm, I'm gonna superpower  
It's a bird, it's a plane; Clark Kent, Bruce Wayne  
I got that, I got that, I got that superpower  
I been picking up the short stick  
Going from bad to worse  
And thrust in the battleground  
Come out dressed in furs Got my head in the clouds  
And my feet up off of the ground  
I feel like death is chasing me down But today I'm, I'm gonna superpower, superpower  
But today I'm, I'm gonna superpower  
It's a bird, it's a plane; Clark Kent, Bruce Wayne  
I got that, I got that, I got that superpower  
I'm gonna superpower, superpower  
But today I'm, I'm gonna superpower, superpower  
But today I'm, I'm gonna superpower, superpower  
But today I'm, I'm gonna superpower, superpower  
But today I'm, I'm gonna superpower
