For All the Pretty People

Ben Folds Five

NOTE: is an instrumental with speaking at the beginning. Not sure who says what.

-- God damn, I wanna rock.

-- Ready to rock, man?

-- (laughing) Yeah!

(drumming)

-- Hey! Hey! Hey, quit fucking around! I wanna rock, OK? 1, 2, 1, 2, 3.

(Robert's fuzz bass, and Darren plays a swing beat. Robert stops and Ben plays. Everything stops.)

-- Man, I am serious. (laughing in BG) I'm not fuckin' around now, I'm three inches tall on this little fuckin' mic and it SUCKS! I wanna ROCK!

Enough (?) bullshit, you motherfuckers, let's GO! 1, 2, 1, 2, 3, 4...

(music starts, then stops)

-- I'm sorry, I'm sorry.

-- 2, 3, 4!

(music starts, then stops)

-- I'm sorry, I'm sorry.

-- 1, 2, 3, 4!

(music plays to end)

Song Discussions is protected by U.S. Patent 9401941. Other patents pending.
