

Give It to Me

Timbaland

Is it going is it going is it going is it going?
I don't know what you're looking for I'm the type of girl that'll look you dead in the eye (eye)
I'm real as they come if you don't know why im fly-y-y-y-y
Seen ya try to switch it up but girl you ain't that dope
I'm the wonderwoman let me go get my robe
I'm a supermodel and mami, si mami
Amnesty international got bangkok to montauk on lock
You love my ass and my abs and the video for promiscuous
My style is ridiculous-s-s-s-If you see us in the club we'll be acting real nice
If you see us on the floor you'll be watchin all night
We ain't here to hurt nobody
So give it to me give it to me give it to me
Wanna see you work your body
So give it to me give it to me give it to me
When timbo is in the party everybody put up their hands
I get a half a mill for my beats you get a couple grand-d-d-d-d
Never gonna see the day that i ain't got the upper hand
I'm respected from californ.i.a. way down to japan
I'm a real producer and you just the piano man
Your songs don't top the charts, i heard em, i'm not a fan-n-n-n
Niggaz talkin greasy im the one that gave them they chance
Somebody need to tell em that they can't do it like I can If you see us in the club we'll be acting
real nice
If you see us on the floor you'll be watchin all night
We ain't here to hurt nobody
So give it to me give it to me give it to me
Wanna see you work your body So give it to me give it to me give it to me
Could you speak up and stop the mumbling
I don't think you came in clear.
Sitting on the top it's hard to hear you from way up here.
I saw you tryin to act cute on tv just let me clear the air.
We missed you on the charts last week
Damn that's right, you wasn't there.
If sexy never left, then why's everybody on my shi it it?
Don't hate on me just because you didn't come up with it.
So if you see us in the club go on and walk the other way
'cause our run will never be over; not at least until we say If you see us in the club we'll be
acting real nice
If you see us on the floor you'll be watchin all night
We ain't here to hurt nobody
So give it to me give it to me give it to me
Wanna see you work your body

So give it to me give it to me give it to me If you see us in the club we'll be acting real nice
If you see us on the floor you'll be watchin all night
We ain't here to hurt nobody
So give it to me give it to me give it to me
Wanna see you work your body
So give it to me give it to me give it to me If you see us in the club we'll be acting real nice
If you see us on the floor you'll be watchin all night
We ain't here to hurt nobody
So give it to me give it to me give it to me
Wanna see you work your body
So give it to me give it to me give it to me Compositor: Justin Timberlake / Nelly Furtado / Tim
Mosley
