Niggaz talkin greasy im the one that gave them they chance Somebody need to tell em that they can't do it like I canIf you see us in the club we'll be acting real nice

If you see us on the floor you'll be watchin all night

We ain't here to hurt nobody

So give it to me give it to me

Wanna see you work your bodySo give it to me give it to me give it to me

Could you speak up and stop the mumbling

I don't think you came in clear.

Sitting on the top it's hard to hear you from way up here.

I saw you tryin to act cute on tv just let me clear the air.

We missed you on the charts last week Damn that's right, you wasn't there.

If sexy never left, then why's everybody on my shi it it? Don't hate on me just because you didn't come up with it.

So if you see us in the club go on and walk the other way

'cause our run will never be over; not at least until we sayIf you see us in the club we'll be acting real nice

If you see us on the floor you'll be watchin all night
We ain't here to hurt nobody
So give it to me give it to me give it to me
Wanna see you work your body

So give it to me give it to me give it to meIf you see us in the club we'll be acting real nice

If you see us on the floor you'll be watchin all night

We ain't here to hurt nobody

So give it to me give it to me give it to me

Wanna see you work your body

So give it to me give it to me give it to meIf you see us in the club we'll be acting real nice If you see us on the floor you'll be watchin all night

We ain't here to hurt nobody

So give it to me give it to me give it to me

Wanna see you work your body

So give it to me give it to meCompositor: Justin Timberlake / Nelly Furtado / Tim Mosley
