Mushroomhead

One shot heard around the world
Gonna bring it to a head
Gonna show the world what it was
Once said
Whatever the cost
We will never surrender
Leave abandoned the loss
When the rich wage war
And the patriotic whores
Dig their own grave
For their own sake
Another casualty
another travesty
Another motherfucking German shepherd
growling with his teeth steppin
Bitch slappin smack rappin
Kick you in the bass drum BOOM! BOOM!
Alpha to Zulu
I'm here to say FUCK YOU!!
I had a bad day
With her angel wings I had a bad day Fall in line glorify
Patriotic parasite
Punishment don't fit the crime of
Being bred to lead to slaughter
One shot heard around the world
Gonna bring it to a head
Gonna show the world what it was
Once said
Whatever the cost
We will never surrender
Leave abandoned the loss

And the patriotic whores
Dig their own grave
