[Verse 2: Travis Scott]

All of these flows is mine, all of these hoes is mine

Shawty want a rockstar, okay, shawty want a rockstar, La Flame

Out there spendin' it loosely, bigger the diamonds, I'm juicy

Fuck with the jeans, it's Gucci, I been out livin' unruly

Yuh, board the jet, all of the hoes is wet

Yuh, private flex, never dip on the set

Drank, don't do wine, got two hoes in a bind, yuh

Ass on rewind, put the cash on her spine, yuh

Fill me up, double cup, yuh, okay, shawty know what's up

Shawty want a rockstar, shawty want a rockstar, okay

Shawty want a rockstar, okay, okay, shawty know what's up
