

# The Way

Jill Scott

[verse 1]

woke up this morning  
with a smile on my face  
jumped out of bed, took a shower  
dressed  
cleaned up my place  
made me some breakfast  
toast  
two scrambled eggs  
grits

grabbed my keys, grabbed my purse  
grabbed my jacket, off to work  
beaming all the way  
down third

[hook]

is it the way  
you love me baby?  
is it the way  
you love me baby? (yeah)

[verse 2]

4: 30

can't wait to get home  
(oh jill, i know you're coming out with us tonight)  
naw girl, i got something else to do  
(aww jill, i know you're not gon' be frontin' on your girls, come on)  
go 'head, really get your groove on  
cuz tonight my man's coming thru  
(awww, yeah!)

we gon' have to connect some other time  
(well, that's cool, i understand)  
as much as i like to shake my thing on the dance floor  
i got a funny, nasty game in mind  
(i hear that)

tonight, i'm gonna beat the high score  
(ooooo, girl)

[chorus] repeat

fade
