Better (feat. Yo Gotti)

Meghan Trainor

Finally blew up in my face
Crash and burnt to pieces
You got what you want from me
I gave you what you needed
I was warned but fooled by charm
And you deserve to be alone
And I deserve better, better than you
I deserve better

Tell 'em what they already know, I deserve better Tell 'em what they already know, I deserve better

I used to cry to all my friends
But they would say, "I told ya"
Finally, I can breathe again
The weight is off my shoulders
I was warned but fooled by charm
And you, you deserve to be alone
And I deserve better, better than you
I deserve better, better than you

I deserve better

Tell 'em what they already know, I deserve better
Tell 'em what they already know, I deserve better
Let's talk about the word "deserve"
Or talk 'bout the world deserves a queen (You queen)

Let's talk about that four letter word: love

I think you deserve a king

I think you deserve the world and everything in it And I try to go get it to show you I meant it when I

Tell you I'm sorry, tomorrow I promise that I

Try to better, I'll do whatever for mine

And I ain't tryna be your friend's friends

Or your quote unquote fake friend, that's why I hate friends

I'd rather see you laugh to see you cry

I'd rather see you lead and tell a lie

And you ain't gotta say it, you deserve better

I deserve better, better than you

I deserve better, better than you

I deserve better

Tell 'em what they already know, I deserve better
Tell 'em what they already know, I deserve better
