

# Just a Friend to You

Meghan Trainor

Oh, oh, oh  
Oh-oh-oh-oh Why you gotta hug me like that every time you see me?  
Why you always making me laugh  
Swear you're catching feelings  
I loved you from the start So it breaks my heart  
When you say I'm just a friend to you Cause friends don't do the things we do  
Everybody knows you love me too  
Tryna be careful with the words I use  
I say it cause I'm dying to  
I'm so much more than just a friend to you  
Mmm, mmm, mmm When there's other people around  
You never wanna kiss me  
You tell me it's too late to hang out  
And you say you miss me  
And I loved you from the start So it breaks my heart  
When you say I'm just a friend to you  
Cause friends don't do the things we do  
Everybody knows you love me too  
Tryna be careful with the words I use  
I say it cause I'm dying to  
I'm so much more than just a friend to you  
You-oh-oh-oh-oh  
You-oh-oh-oh-oh  
You-oh-oh-oh-oh  
You-oh-oh-oh-oh  
You say I'm just a friend to you  
Friends don't do the things we do  
Everybody knows you love me too  
I tried to be careful with the words I use  
I say it cause I'm dying to  
I'm so much more than just a friend to you  
A friend to you  
A friend to you  
A friend to you
