

Tender Days (Indian Mix)

[Wolfsheim](#)

Prowling streets at night
The moonlight's burning
and I'm feelin' so lonelyDark and dull my mind
A crying emptiness
I cannot cope withI'm yours
You're mine
Our love eternal
One day
you left
my heart in silenceAll the merry dreams we lose
We will never know the truth
No shade of doubt, no need for prove
you're my queen and I'm your fool
Remember tender days of youthYou're my sun ... you shine into my heart
Innocent and pure ... you save me from the darkYouth has come, youth is gone
In every breath i smell your beautyDeep and true my love for you
like something words I cannot find for
My god! What is it for
you took my love away"Don't shed no tear!" she said
but nothing's left that I can hope for
