

# You Set Me Free

Michelle Branch

Can't you see?  
There's a feeling that's come over me  
Close my eyes  
You're the only one that leaves me  
Completely breathless No need to wonder why  
Sometimes a gift like this you can't deny 'Cause I  
Wanted to fly  
So you gave me your wings  
And time  
Held its breath so I could see  
Yeah  
And you set me free  
Ooh  
There's a will  
There's a way  
Sometimes words just can't explain  
This is real  
(This is real)  
I'm afraid  
(I'm afraid)  
I guess this time there's just no hiding, fighting  
You make me restless You're in my heart  
The only light that shines there  
In the dark  
Oh  
'Cause I  
Wanted to fly  
So you gave me your wings  
And time  
Held its breath so I could see  
Yeah  
And you set me free When I was alone  
You came around  
When I was down  
You pulled me through  
And there's nothing that  
I wouldn't do for you 'Cause I  
Wanted to fly  
So you gave me your wings  
(So you gave me your wings)  
And time  
Held its breath so I could see

(So I could see)  
'Cause I  
Wanted to fly  
So you gave me your wings  
(So you gave me your wings)  
And time  
Held its breath so I could see  
Yeah  
And you set me free
