

# The Blood That Moves the Body

a-ha

It's the way we feel  
Tonight  
As if it's all unreal  
All right  
My love  
Won't you come back to  
Our love  
You know I'll react to  
The blood that moves my body  
Now covers the ground  
The blood that moves the body  
The blood that moves the body  
There's nowhere to go  
Tonight  
Lend some warmth to our cold  
And lonely lives  
Red stains  
On 'Eyes of a blue dog'  
My pains  
Fade as the interiors fog  
The blood that moves my body  
Now colours the ground  
The blood that moves the body  
The blood that moves the body  
Not long ago  
It hurt us so  
A tremble through our lives  
The love and care  
The way we were  
Now lost it's way at nights  
It's the way we feel  
Tonight  
The blood that moves the body  
The blood that moves the body  
Not long ago  
It hurt us so  
A tremble through our lives  
The love and care  
The way we were  
Now lost it's way at nights  
It's the way we feel  
Tonight  
Lend some warmth to  
Our cold and lonely lives  
My love  
Won't you come back to  
Our love  
You know we'll react to  
The blood that moved our bodies

Now covers the ground  
Now covers the ground  
Covers the ground  
The blood that moves the body  
Covers the ground  
The blood that moves the body  
Covers the ground  
The blood that moves the body  
The blood that moves the body  
The blood that moves the body
