

# Mykonos

## Fleet Foxes

Oh oh oh oh

ooooh...The door slammed loud and rose up a cloud of dust on us  
Footsteps follow, down through the hollow sound  
torn up

And you will go to Mykonos With a vision of a gentle coast  
And a sun to maybe dissipate  
Shadows of the mess you made

Pallid animals in the snow tipped pines, I find  
Hatching from the seed of your thin mind, all night

And you will go to Mykonos With a vision of a gentle coast  
And a sun to maybe dissipate Shadows of the mess you made

Brother you don't need to turn me away

I was waiting down at the ancient gate You go

Wherever you go today You go today

I remember how they took you down

As the winter turned the meadow brown

You go

Wherever you go today

You go today

When a-walking brother don't you forget

It ain't often that you'll ever find a friend

You go

Wherever you go today

You go today
