

# Dance Like Nobody's Watching

## Iggy Azalea & Tinashe

Iggy Azalea & Tinashe Dance Like Nobody's Watching Dance all night, don't my ass look right

Can't pass on the chance  
Raise your hands up like  
You a superstar, I might lose my bra  
Show? Come watch  
Grab a Brush - mic drop  
Sold out concert in the bathtub  
Good night bad girls wanna have fun  
Moonwalk in the kitchen with my socks off  
I'm all that, bag of chips with the hot sauce  
I'm sexy, no stress, cos I'm okay  
I'm quick to get lit, I'm on my way  
LeChic, I'm a freak  
Locked up, get the key  
Hop up, feeling great  
If you hate you can leave  
No I don't do it for the boys  
No I don't do it for the girls  
No I don't do it for the 'gram  
I'ma do it, do it for me I don't just dance  
I dance like nobody's watching  
I dance like nobody's watching  
And once I start I can't stop it  
I don't give a damn  
I dance like nobody's watching  
I dance like nobody's watching  
Once I start I can't stop it  
4am took a shot, I can't miss  
I'ma do what I want bitch, cos I'm famous  
Not a care in the world  
Put my hair in a twirl  
Your man grab a cam  
Tryna stare at my curves  
I'ma crawl on the floor how a cat moves -rawr  
Twerk by the mirror in the bathroom, mwah  
We've been past due  
For the time of our lives  
Catch a vibe  
I'll be on 10 the whole night No I don't do it for the boys  
No I don't do it for the girls  
No I don't do it for the 'gram  
I'ma do it, do it for me, cos I can I don't just dance

I dance like nobody's watching  
I dance like nobody's watching  
And once I start I can't stop it  
I don't give a damn  
I dance like nobody's watching  
I dance like nobody's watching  
Once I start I can't stop it I don't just dance  
I dance like nobody's watching  
I dance like nobody's watching  
And once I start I can't stop it  
I don't give a damn  
I dance like nobody's watching  
I dance like nobody's watching  
Once I start I can't stop it Oooh, I dance like no one's watching, yeah yeah  
Oooh, I dance like no one's watching, yeah yeah  
Lost in the funk, black out at the function  
Champagne pop, tell the world that I'm bubbly  
Lost in the funk, black out at the function  
Champagne pop, tell the world that I'm bubbly I don't just dance  
I dance like nobody's watching  
I dance like nobody's watching  
And once I start I can't stop it  
I don't just dance  
I dance like nobody's watching  
I dance like nobody's watching  
And once I start I can't stop it  
I don't give a damn  
I dance like nobody's watching  
I dance like nobody's watching  
Once I start I can't stop it
