

# Help Me Hold On

Travis Tritt

Baby, close that suitcase you've been packin'  
Just sit down and talk to me a while  
I know you tried to tell me what was lackin'  
But I guess I must have missed it by a mile Well, this time girl I swear to you I'll listen  
Help me understand where I went wrong  
It's hard to find myself in this position  
Scared that I'll go crazy once your gone Help me hold on to what we had  
Once our love was strong, it can be again  
You said it takes two to make love last  
You were right all along, so help me hold on  
What have I got to do to make it better?  
What have I got to do to make you see?  
That even though I promised you forever  
I never knew how hard that would be I realize I took your love for granted  
But I've learned that love worth havin' don't come free  
And I'll pay any price it takes to keep you  
Satisfied and stayin' here with me Help me hold on to what we had  
Once our love was strong, it can be again  
You said it takes two to make love last  
You were right all along, so help me hold on  
Help me hold on to what we had  
Once our love was strong, it can be again  
You said it takes two to make love last  
You were right all along, so help me hold on  
You were right all along, so help me hold on
