## Bei Maejor

Bei maejorr...  
We're all drunk in the club  
Me & all my homies, so taraaaBaby take a shot of patron,  
And maybe i can take you home  
You've been working all, all day long  
And i know this'll get you in your zone  
And i hope everybodyy in the spot  
Is tipsy cause i sure drink alot  
And i can't find the damn keys to my drop  
But it's all good doe  
It don't even matter cause i don't wanna leave  
Noo...  
Cause she keep dancing on me  
Ooh, so i think i'm gonna head back to the bar
