

Freedom

Jurassic 5

CHALI

Seldom traveled by the multitude
The devil's gavel has a couple fooled

My culture's screwed

Cuz this word is misconstrued
Small countries exempt from food
Cuz leaders have different views

You chooseAKIL

What mean the world to me is being free

Live and let live and just let it be

(Let it be)

Love peace and harmony

One universal family

One god, one aim, & one destiny

MARC 7

O yea?

Imagine life without a choice at all

Given a vote without a voice at all

These be the problems that we face

I'm talkin' poverty and race

But no matter what the case we gottaCHORUS

Hold on to this feeling

FREEDOM

FREEDOM

Hold on to this feeling

FREEDOM

FREEDOM

SOUP

I'm the first candidate to hate

Had to beat on the drum to communicate

For what was to come to those who were hung

They would decapitate the tongue

If you would mention the word

FREEDOMCHALI

Got people screamin free Mumia Jamal

But 2 out of 3 of y'all will probably be at the mall

I'm heated with y'all

The defeated will fall

Incomplete & Unsolved

When the word freedom's involvedAKIL

My forefathers hung in trees to be free

Got rid of slavery but still kept the penitentiary

And new freedom got a shotgun
And shells with your name
Release the hot ones
And let freedom reignSOUP
I'm a former boat prisoner
Hollywood visitor
Dance for cats segregated on wax
My color got me handy
Cap Amos and Andy
For the freedom
They just won't hand meCHORUSMARC 7
Cuz there's not a lot of time
Your heart, body, soul and your mind
It's so true it ain't been heard in so long
That's the reason why we name this songCHORUSMARC 7
Cuz there's not a lot of time
Your heart, body, soul and your mind
It's so true it ain't been heard in so long
That's the reason why we name this song
