

Lonely Press Play

Damon Albarn

Arrhythmia, accepted that you live
With one certainty
When you LONELY, PRESS PLAY
Die every time
The aspects that you pass on
While traveling,
When you LONELY, PRESS PLAY
'Cause you're not been told
In your heart, you're waiting for me
To improve
Right here
When I'm lonely, I PRESS PLAYSwinging the blue
After New Year
It took the mirror, she flew
When I'm only, I PRESS PLAYCan I get any closer?
What any token can't, I'll bring to you
When I'm LONELY, I PRESS PLAY'Cause you're not resolved in your heart,
You're waiting for me
To improve
Right here
When I'm lonely, I PRESS PLAY
Arrhythmia, accepted that you live
With one certainty
When you LONELY, PRESS PLAY
Can I get any closer?
What any token can't, I'll bring to you
When I'm LONELY, I PRESS PLAY
'Cause you're not resolved in your heart,
You're waiting for me to improve!
