

Gucci Gucci

Kreayshawn

One big room full of bad bitches
One big room full of bad bitches
One big room full of bad bitches
One big room full of bad bitches And we stunting like
Gucci Gucci, Louis Louis, Fendi Fendi, Prada
Basic bitches wear that shit so I don't even bother
Gucci Gucci, Louis Louis, Fendi Fendi, Prada Basic bitches wear that shit so I don't even bother
Gucci Gucci, Louis Louis, Fendi Fendi, Prada
The basic bitches wear that shit, so I don't even bother
I put that on my partner, I put that on my family Oakland city represent, address me as your
majesty
Yeah you can kiss the ring, but you can never touch the crown
I smoke a million Swisher blunts and I ain't never coming down
Bitch you ain't no Barbie I see you work at Arby's
Number 2, super-sized, hurry up I'm starving
Gnarly, radical, on the block I'm magical
See me at your college campus baggie full of Adderalls
Call me if you need a fix, call me if you need a boost See them other chicken heads? They don't
never leave the coop
I'm in the coupe cruising, I got the stolen plates
Serving all the fiends over there by the Golden Gate
Bridge, I'm colder than the fridge and the freezer I'm snatching all your bitches at my leisure
One big room full of bad bitches
One big room full of bad bitches
One big room full of bad bitches One big room full of bad bitches
And we stunting like
Gucci Gucci, Louis Louis, Fendi Fendi, Prada
Basic bitches wear that shit so I don't even bother
Gucci Gucci, Louis Louis, Fendi Fendi, Prada
Basic bitches wear that shit so I don't even bother
Gucci Gucci, Louis Louis, Fendi Fendi, Prada
I'm lookin like Madonna but I'm flossing like Ivana Trump, you know I keep that work in my
trunk
Got my hand on the pump if you wanna press your luck
I'm yelling "Free V-Nasty" 'til my throat is raspy
Young, rich and flashy I be where the cash be You can't find that? I think you need a Google
Map
My pearl-handled kitty-cat will leave and press your noodle back
I'm rolling up my catnip and shitting in your litter Why you looking bitter? I be looking better
The type of bitch that make you wish that you ain't never met her
The editor, director plus I'm my own boss
So posh, nails fierce with the gold gloss Which means nobody getting over me

I got the swag and it's pumping out my ovaries
One big room full of bad bitches
One big room full of bad bitches
One big room full of bad bitches
One big room full of bad bitches
And we stunting like
Gucci Gucci, Louis Louis, Fendi Fendi, Prada
Basic bitches wear that shit so I don't even bother
Gucci Gucci, Louis Louis, Fendi Fendi, Prada
Basic bitches wear that shit so I don't even bother
Oh, all you basic ass hoes out there
Man I got rooms full of bad bitches
They don't need Gucci, they don't need Louis
We swagging, ehh, meow
