One big room full of bad bitches

One big room full of bad bitches

One big room full of bad bitches

One big room full of bad bitchesAnd we stunting like

Gucci Gucci, Louis Louis, Fendi Fendi, Prada

Basic bitches wear that shit so I don't even bother

Gucci Gucci, Louis Louis, Fendi Fendi, PradaBasic bitches wear that shit so I don't even bother Gucci Gucci, Louis Louis, Fendi Fendi, Prada

The basic bitches wear that shit, so I don't even bother

I put that on my partner, I put that on my familyOakland city represent, address me as your majesty

Yeah you can kiss the ring, but you can never touch the crown

I smoke a million Swisher blunts and I ain't never coming down

Bitch you ain't no Barbie I see you work at Arby's

Number 2, super-sized, hurry up I'm starving

Gnarly, radical, on the block I'm magical

See me at your college campus baggie full of Adderalls

Call me if you need a fix, call me if you need a boostSee them other chicken heads? They don't never leave the coop

I'm in the coupe cruising, I got the stolen plates

Serving all the fiends over there by the Golden Gate

Bridge, I'm colder than the fridge and the freezerI'm snatching all your bitches at my leisure

One big room full of bad bitches

One big room full of bad bitches

One big room full of bad bitchesOne big room full of bad bitches

And we stunting like

Gucci Gucci, Louis Louis, Fendi Fendi, Prada

Basic bitches wear that shit so I don't even bother

Gucci Gucci, Louis Louis, Fendi Fendi, Prada

Basic bitches wear that shit so I don't even bother

Gucci Gucci, Louis Louis, Fendi Fendi, Prada

I'm lookin like Madonna but I'm flossing like IvanaTrump, you know I keep that work in my

Got my hand on the pump if you wanna press your luck

I'm yelling "Free V-Nasty" 'til my throat is raspy

Young, rich and flashy I be where the cash beYou can't find that? I think you need a Google

Map

My pearl-handled kitty-cat will leave and press your noodle back

I'm rolling up my catnip and shitting in your litterWhy you looking bitter? I be looking better

The type of bitch that make you wish that you ain't never met her

The editor, director plus I'm my own boss

So posh, nails fierce with the gold glossWhich means nobody getting over me

I got the swag and it's pumping out my ovaries
One big room full of bad bitches
And we stunting like
Gucci Gucci, Louis Louis, Fendi Fendi, Prada
Basic bitches wear that shit so I don't even bother
Gucci Gucci, Louis Louis, Fendi Fendi, Prada
Basic bitches wear that shit so I don't even bother
Oh, all you basic ass hoes out there
Man I got rooms full of bad bitches
They don't need Gucci, they don't need Louis
We swagging, ehh, meow
