

# Crush

Gavin DeGraw

When my pass came in, you dropped the ball  
It didnt change the way I feel  
And I was wishing I'd break down your walls  
The kiss will know if lips stay still  
There is a line I crossed  
And when you missed I lost  
I'm not a loser  
Girl, you know that I'll be back again  
My dear, I went for the steal  
Maybe it was rushed  
Oh my crush, I've gotta crush  
I suppose that i could hold it in  
But you excite my every cell  
Sources say that senses are your friends  
My senses say that I should tell  
You that I'm not ashamed  
You might just feel the same  
But you have to try it  
If you're ever really gunna know  
My dear, I went for the steal  
Maybe it was rushed  
Oh my crush, ive gotta crush  
I want to  
I need to  
I have to have you  
You're so much to touch  
Girl, you're too much  
And I cant control it- you've got me all over the road  
My dear, I went for the steal  
Maybe it was rushed  
Oh my crush  
Damaging my soul  
You blew me off, but I dont mind  
I just get better with time  
And so do you  
So do you  
So do you  
My crush
