## Crush

## **Gavin DeGraw**

When my pass came in, you dropped the ball It didnt change the way I feel And I was wishing I'd break down your walls The kiss will know if lips stay still There is a line I crossed And when you missed I lost I'm not a loser Girl, you know that I'll be back again My dear, I went for the steal Maybe it was rushed Oh my crush, I've gotta crush I suppose that i could hold it in But you excite my every cell Sources say that senses are your friends My senses say that I should tell You that I'm not ashamed You might just feel the same But you have to try it If you're ever really gunna know My dear, I went for the steal Maybe it was rushed Oh my crush, ive gotta crush I want to I need to I have to have you You're so much to touch Girl, you're too much And I cant control it- you've got me all over the road My dear, I went for the steal Maybe it was rushed Oh my crush Damaging my soul You blew me off, but I dont mind I just get better with time And so do you So do you So do you My crush
