

Movin On (Basto! Radio Edit)

Ian Van Dahl

I think the time has come
To say goodbye to you
No, I won't take you backoh cause I know
About those other girls
Baby ooooh Oooh does it hurt You can't have me now
You can't bring me down
Oooh And your words They will tumble down, They won't bring me down And all the words
you put into my head
I thought you loved me But you lied to me instead
My eyes are open and I'm moving on tonight
I still remember all the things you've said
I thought you loved me But you lied to me instead
My eyes are open and I'm moving on tonight Tonight I'm moving on I'm moving ahead Ooh and
the words
They can't hurt me now
Cause I know they can't bring me down
Tonight I'm moving on I'm moving ahead
And all the words you put into my head
I thought you loved me But you lied to me instead
My eyes are open and I'm moving on tonight
I still remember all the things you've said
I thought you loved me But you lied to me instead
My eyes are open and I'm moving on tonight
Tonight I'm moving on I'm moving ahead
Tonight I'm moving on I'm moving ahead
Tonight I'm moving on I'm moving ahead I'm moving
