

# Whatcha Reckon

Josh Turner

Ever since you caught my eye I can't get you off my mind  
Girl, the way you move is driving me crazy  
I don't mean to come on strong but I don't wanna wait too long  
All I wanna do is make you my baby Whatcha reckon me take off early today?  
Go and take a little ride in my Chevrolet  
That a road we ain't been down before  
See where it goes Whatcha reckon we lay it all on the line?  
Take a chance and say what's on our mind  
Girl, won't you let me hold you tight?  
Whatcha reckon we fall in love tonight?  
Thought you was good for my heart and I knew it right from the start  
I've never felt a feeling like this before  
Ain't no sin in taking it slow, we can take our time when we get old  
We can start right now with you and me walking out the door Whatcha reckon me take off early  
today?  
Go and take a little ride in my Chevrolet  
That a road we ain't been down before  
See where it goes Whatcha reckon we lay it all on the line?  
Take a chance and say what's on our mind  
Girl, won't you let me hold you tight?  
Whatcha reckon we fall in love tonight?  
Hey whatcha reckon we lay it all on the line?  
Take a chance and say what's on our mind  
Girl, won't you let me hold you tight?  
Whatcha reckon we fall in love tonight? Girl, won't you let me hold you tight?  
Whatcha reckon we fall in love tonight?
