

# FAR AWAY

Jessie Reyez

Mmm-mmm  
Mmm-mmm Hand on the Bible (Lord have mercy)  
I think you're the love of my life (Yeah)  
Maybe 'cause you hop on a flight to find me  
I feel like I need you tonight beside me (Yeah)  
You're still a world away  
And you're still waitin' for you papers  
Been feelin' like the government wants us to break up  
iPhone XXX, FaceTime saves us (Yeah) I feel what you feel when you're far away  
When you far away  
When you far away, oh  
I feel what you feel when you're far away  
It's been a hundred days  
Since I kissed your face, oh  
Distance ain't shit because you and I both committed  
No fuck boys,  
No thirsty bitches could ever come between this (Lord have mercy)  
It's different, we trust each other  
We both been fucked by old lovers  
Your sex, it helped me recover  
Icebox but you buy me somethin' (Ooh) I feel what you feel when you're far away  
When you far away  
When you far away, oh  
I feel what you feel when you're far away  
It's been a hundred days  
Since I kissed your face, mmm  
On my mama, I'll never hurt you  
On my mama, I don't deserve you  
Humble love, don't even know your worth  
Life before you is just a blur  
On my mama, I'll never hurt you  
On my mama, I don't deserve you  
Humble love, don't even know your worth  
Life before you is just a blur I feel what you feel when you're far away  
When you far away  
When you far away, oh  
I feel what you feel when you're far away  
It's been a hundred days  
Since I kissed your face Mmm-mmm  
Mmm-mmm  
(Lord have mercy)
