

# Almighty (feat. HoodRich Pablo Juan)

## Gunna

[Hook]

Whippin' that 'mazi, pay me for the party  
I don't wear her heart, got drip on my body  
10,000 ones for these strippers in Follies  
Codeine I sip whilst I'm smoking exotic  
Working like Gotti, my crew almighty  
No TGI Friday's, eat 5 star we dinin'  
All of my bitches want VVS diamonds  
Throw racks in the club and start changing the climate

[Verse 1 - Gunna]

Oh (?) on my waist, I've been rocking Hermes  
Givenchy Air Forces they cost me a bag  
I rock a show, give some racks to my man  
(?)  
I geek up my wrist and live life on the edge  
Slime all the time so I'm sipping this red  
I cannot cap, these racks getting to my head  
Young Gunna rappin', I really was trappin'  
My wrist need a napkin Rolex got me wet  
Drip they gon' jack it, Margiela my jacket  
Them folks had to test me, shit cost me some bread  
European stitching, lil' shopping in France  
She want a vacation, my bitch need a tan  
(?)

You niggas weren't there when I needed a hand

Vicious stars got me fucking a model  
Pop a seal we don't drink bottles  
Hustle hard about that almighty dollar  
Try to play me, put that K to your collar  
Snakes in the garden, my Gucci Mufasa
