## You Don't Know What Love Is

## **Dinah Washington**

You don't know what love is Until you've learned the meaning of the blues Until you've loved a love you've had to lose You don't know what love is You don't know how lips hurt Until you've kissed and had to pay the cost Until you've flipped your heart and you have lost No, you don't know what love isDo you know how a lost heart feels The thought of reminiscing And how lips that taste of tears Lose their taste for kissing You don't know how hearts burn For love that cannot live yet never dies Until you've faced each dawn with sleepless eyes No, you don't know what love isDo you know how a lost heart feels Feels the thought of reminiscing And how lips that taste of tears Lose their taste for kissing You don't know how hearts burn For love that cannot live yet never dies Until you've faced each dawn with sleepless eyes No, you don't know what love is Song Discussions is protected by U.S. Patent 9401941. Other patents pending.
