## Lights

Ice

Ice

My mouth is frozen so I can't even speak  
What a disappointment, I had it perfectly  
What I was going to bring up suddenly  
Stood like a stone as you stood quietly You're making it hard for me

All I can do is freeze

What I mean is, all i need is

Just a little emotion

Cause all I see is you not feeling

And you're giving me nothing nice

I tried to do you right

why'd you have to go and turn to ice

ice...

ice...

I don't think you're knowing how hard this is for me

I'm not the type to say sorry constantly

So I swallowed my pride and I got on my knees

But still you just stood there as you stared at me Your ego is getting old

How did you get so cold

What I mean is, all i need is

Just a little emotion

Cause all I see is you not feeling

And you're giving me nothing nice

I tried to do you right

why'd you have to go and turn to ice

ice...

ice...

I'm looking at you looking at me

what can I do but say sorry

It's a little late but you know

I just want you to be happy.

What I got to say to make you

let me get away with it this time.

I know you?'re upset

I made you happy just to be sitting with me But I'll make a bet that you'll be better to forget  
about me

Even better, yet I'll let a little get melty ice, ice, baby My mouth is frozen so I can't even speak

I'm not the type to say sorry constantly

What I mean is, all i need is

Just a little emotion

Cause all I see is you not feeling

And you're giving me nothing  
What I need is all I need is  
Just a little emotion  
Cause all I see is you not feeling  
And you're giving me nothing nice  
I tried to do you right  
why'd you have to go  
I tried to do you right  
why'd you have to go and turn to ice
