

# Lead Me On

Conway Twitty & Loretta Lynn

Once I made a promise  
That I'd never lead you on  
But I feel the yearn to love you  
Even though I know it's wrong You'll have to take my hand  
And lead me slowly through the door  
I'll be wrong in what I'm doin'  
I can't refuse you anymore Lead me on  
And take control of how I feel  
I can't do this on my own  
'Cause it's against my will  
I need love, warm and tender  
In a way I've never known  
If you want me I'll go with you  
But you'll have to lead me on Lead me on  
And take control of how I feel  
I can't do this on my own  
'Cause it's against my will  
But I need love, warm and tender  
In a way I've never known  
If you want me I'll go with you  
But you'll have to lead me on
