

# Eddie Vedder

## Local H

Quarters on the eyes  
Rejected sacrifice  
Cauterized at best  
Failing your litmus test I know it's dumb to say  
It's turnabout's fair play  
Always knew that you  
Were suffering a fool You go ahead  
As good as dead  
You go ahead  
As good as dead You go ahead  
As good as dead  
As good as dead  
You go ahead  
Okay I understand  
But I don't wanna be your friend  
I don't need another friend  
I've got too many friends If I was Eddie Vedder  
Would you like me any better?  
That's it, I quit, I don't  
Give a shit You go ahead  
As good as dead  
You go ahead  
As good as dead You go ahead  
As good as dead  
You go ahead  
As good as dead  
You go ahead  
As good as dead  
You go ahead  
As good as dead You go ahead  
As good as dead  
Coming to a head  
You're as good as dead You're as good as dead  
You're as good as dead That's it, I quit, I don't  
Give a shit You go ahead  
As good as dead  
You go ahead  
As good as dead You go ahead  
As good as dead  
You go ahead  
As good as dead You go ahead  
As good as dead

You go ahead  
As good as dead You go ahead  
As good as dead  
Coming to a head  
You're as good as dead
