

# Martyrs

## Mick Jenkins

Shorty told me that she do not do the fakes  
Same bitch got weave  
My nigga mow the lawn it's too many snakes  
That's the same shit that got Eve  
What you ain't never seen a nigga on a  
Horse?  
You ain't seen chief keef new Porsche?  
Naw you ain't seen shit yet  
Betta not forget that spit it like I chain smoke Newports  
All the little niggas got guns now  
And they carry them to the fucking beat  
All these little girls give it up now shame I could see the cherry stems in the fucking street  
Niggas aim too high to leave the lows  
Niggas hang too high to see the lows  
Niggas ain't  
Niggas ain't really listening let me break it down for you  
Just before you forgot about him  
Overlooked or started doubting  
I douse it wit the flow and started talking all this water shit it's like I started drowning  
In truth  
The thought is pounding  
I started counting the loopholes in they stories that they tell us  
Every evening at like 10 when Judy suu is on yo tv  
Tellin Songs in the key of life, you was on yo Stevie  
I pray its never to preachy but I'm preaching  
Losing hella blood these fuck niggas leechin  
Why you reachin I'm like 6'5  
Stop it  
We are not on the same a plateau  
Chateau de Chenonceau  
You just throwing shade in my shadow  
Ginger ale in my Chalice I never been champagne shallow  
I'd never run from a battle I'd rather hang from the gallows  
For I let a stray bullet catch a nigga on the nine!  
Trey 8 pullin 0-9 kwame brown if a nigga act foul then we put em on the line  
It's a shame that's the game on these young niggas minds like  
I'mma get all this money  
I'mma buy all this shit  
I'mma fuck so many hoes  
Nigga, I'mma fuck yo bitch  
I'm just with my niggas  
I'mma get all this money

I'mma buy all this shit  
I'mma fuck so many hoes  
Nigga, I'mma fuck yo bitch  
I'm just wit my niggas hanging  
Hanging  
I'm just with my niggas hanging  
Hanging  
Hanging on for dear life  
For the love of the money  
Hanging on for dear life  
Don't that shit sound funny?  
Hanging on for dear life  
For the love of the gold  
Hanging on for dear life  
Don't that shit feel cold? I'mma get all this money  
I'mma buy all this shit  
I'mma fuck so many hoes  
Nigga, I'mma fuck yo bitch  
I'm just with my niggas  
I'mma get all this money  
I'mma buy all this shit  
I'mma fuck so many hoes  
Nigga, I'mma fuck yo bitch  
I'm just wit my niggas hanging  
Hanging  
I'm just with my niggas hanging  
Hanging
