Then the Morning Comes

Smash Mouth

Paint the town, take a bow Thank everybody You're gonna do it again You are the few, the proud You are the antibody

Mind soul, and zenAnd the world's a stage (and the world's a phase)

And the end is nearSo push rewind just in time

Thank anybody

You're gonna do it again

The way that you walk

It's just the way that you talk

Like it ain't no thing

And every single day is just a fling

Then the morning comesTake your knocks, shake them off

Duck everybody

You're gonna take them again

You are your foe, your friend

You are the paparazzi

You are the tragedianAnd the world's a craze (and the world's a phase)

And the end is nearSo push rewind just in time

Thank anybody

You're gonna do it again

The way the you walk

It's just the way that you talk

Like it ain't no thing

And every single day is just a fling

And when it comes it moves so slow

Kinda like it's saying I told you so

Looking back before she goes

Tomorrow's gonna hurtAnd the world's a stage (and the world's a phase)

And the end is nearSo push rewind just in time

Thank anybody

It's just the way that you walkIt's just the way that you talk

Like it ain't no thing

And every single day is just a fling

Then the morning comes
