

# Straight Up

Paula Abdul

Lost in a dream I don't know which way to go  
You aren't all that you seem And baby I'm movin' the way too slow  
I've been a fool before Wouldn't like to get my love caught  
In the slammin' door How about some information please Straight up now tell me  
Do you really want to love me forever oh, oh, oh  
Or am I caught in a hit and run?  
Straight up now tell me Is it gonna be you and me together oh, oh, oh  
Are you just having fun?  
Time's standing still I wait for some small clue I keep getting chills When I think your love is  
true  
I've been a fool before Wouldn't like to get my love caught  
In the slammin' door How about some information please  
Straight up now tell me  
Do you really want to love me forever oh oh oh  
Or am I caught in a hit and run  
Straight up now tell me Is it gonna be you and me together oh oh oh  
Or are you just having fun?  
You are so hard to read  
You play hide and seek With your true intentions  
If you're only playin' games  
I'll just have to say: a-b-b-b-b-bye b-b-b-b-bye  
Do do you love me Do do you love me  
(baby)  
Do do you love me Do do you love me  
(tell me baby)  
I've been a fool before  
Wouldn't like to get my love caught  
In the slammin' door  
Are you more than hot for me  
Or am I a page in your history book  
I don't mean to make demands  
But the word and the deed go hand in hand How about some information please (please please  
please)  
Straight up now tell me  
Tell me  
Straight up now tell me Tell me  
Straight up now tell me  
Tell me  
Straight up now tell me  
Straight up now tell me Straight up now tell me  
Do you really want to love me forever oh oh oh  
Or am I caught in a hit and run

Straight up now tell me  
Is it gonna be you and me together oh oh oh  
Or are you just having fun?  
Straight up now tell me  
Do you really want to love me forever oh oh oh  
Or am I caught in a hit and run  
Straight up now tell me  
Is it gonna be you and me together oh oh oh  
Or are you just having fun?
