

# Duck my Ex (feat. Chris Brown & 2 Chainz)

## Tory Lanez

[Intro]

Got it on smash

[Verse 1: Tory Lanez]

Tryna duck my X

Count 100 checks

Tonight I'ma wanna flex, oh yeah

Rollie No Patek

Give me the Baguette

I'ma take a single pic and I'ma post it up, oh yeah

Single for the night and the night looking young

She told me took me right let me tell you make the jump, jump

Throw it to me, throw it to me

Bust it like a, new year, all of it to me

Find a little shawty and she badder when I'm set

Shout-out everybody in here doing better than they ex, oh

[Chorus: Tory Lanez]

Tryna duck my X

Count 100 checks

Tonight I'ma flex, ah

Rollie, no Patek

Give me the baguettes and the 40 and the Tec, ohh

Tryna duck my X

Know whats comin' next

I just wanna flex, oh yeah

[Verse 2: Chris Brown]

Don't get my way, get my way now

Don't get [??] way, on your way down

[??] ain't tryna keep up

Just throw it to me, yeah just do me

It's the major leagues, and suck my dick like batter up

I stay creeping

Hit it out the park

Put your best friend in, fucking in my 'rari

Know a nigga petty, I'm not saying sorry

I'm just countin' checks, call them plates, you know

[Chorus: Tory Lanez]

Tryna duck my X

Count 100 checks

Tonight I'ma flex, ah

Rollie, no Patek

Give me the baguettes and the 40 and the Tec, ah

Tryna duck my X

Know whats comin' next  
I just wanna flex, oh yeah  
Tryna duck my X  
Count 100 checks[Verse 3: 2 Chainz]  
Yeah  
I go hard, be real  
Surrounded in baguettes  
Our life need the set  
Listenin' to the soundtrack sippin' ocean loud back  
Where you get them style from?  
Let me get more style from -  
[Chorus: Tory Lanez]  
Tryna duck my X  
Count 100 checks  
Tonight I'ma flex, ah  
Rollie, no Patek  
Give me the baguettes and the 40 and the Tec, ah  
Tryna duck my X  
Know whats comin' next  
I just wanna flex, oh yeah  
Tryna duck my X  
Count 100 checks
