

Anything

SWV

There is nothing I wouldn't do for you
All that you want, I'll be all that you need
'Cause boy you know you've got me
And I'll do anything Anything you wanna do
I am gonna try to
Boy, my body's just for you
Pleasure is the destination
You can drive us if you choose to
Anything you wanna do
I am gonna try to
Boy, my body's just for you
Pleasure is the destination
You can drive us if you choose to Anything you wanna do
I am gonna try to
Boy, my body's just for you
Pleasure is the destination
You can drive us if you choose to Anything you wanna do
I am gonna try to
Boy, my body's just for you
Pleasure is the destination
You can drive us if you choose to
Anything you wanna do
I am gonna try to
Boy, my body's just for you
Pleasure is the destination
You can drive us if you choose to
