

# Heaven Help Us (B-Side)

## My Chemical Romance

Hear the sound  
The angels come screaming  
Down your voice  
I hear you've been bleeding Make your choice  
They say you've been pleading  
"Someone save us" Heaven help us now  
Come crashing down  
We'll hear the sound  
as you're falling down I'm at this old hotel  
but can't tell if I've been breathing or sleeping  
or screaming or waiting for the man to call  
and maybe all of the above  
'Cause mostly I've been sprawled on these cathedral steps  
while spitting out the blood and screaming  
"Someone save us"  
Heaven help us now  
Come crashing down  
We'll hear the sound  
as you're falling down And will you pray for me?  
Or make a saint of me?  
And will you lay for me?  
Or make saint? 'Cause I'll give you all the nails you need  
Cover me in gasoline  
Wipe away those tears of blood again  
and the punchline to the joke is asking  
"Someone save us" Heaven help us now  
Come crashing down  
We'll hear the sound  
as you fall  
And would you pray for me?  
(You don't know a thing about my sins)  
(How the misery begins)  
Or make a saint of me?  
(You don't know)  
(So I'm burning, I'm burning)  
And will you lay for me?  
(You don't know a thing about my sins)  
(How the misery begins)  
Or make a saint?  
(You don't know)  
( 'Cause I'm burning, I'm burning)  
'Cause I'll give you all the nails you need

(I'm burning, I'm burning again)  
Cover me in gasoline again
