

# Country Strong

Gwyneth Paltrow

I know you see me  
Like some wide eyed dreamer  
That just rolled in off a dusty mid west bus  
Yeah, on the outside I look fragile  
But on the inside is something you can't crushCause I'm country strong  
Hard to break  
Like the ground I grew up on  
You may fool me  
And I'll fall  
But I won't stay down long  
Cause I'm country strong  
I have weathered  
Colder winters; Longer summers  
Without a drop of rain  
Push me in a corner  
And I'll come out fighting  
I may lose but I 'll always keep my faithCause I'm country strong  
Hard to breakLike the ground I grew up on  
You may fool me  
And I'll fall  
But I won't stay down long  
Cause I'm country strong  
Cause I'm country strong  
Hard to break  
Like the ground I grew up on  
You may fool me  
And I'll fall  
But I won't stay down long  
Cause I'm country strongI'm country strong  
Yeah, I'm country strong  
I'm country strong  
I'm country strong  
I'm country strong
